Annual Spring Multi-Media exhibition call for artists
~open to the community~

How do you define your personal vision of what comes next? Are you effected by technology or drawn back to the earth. Take stock of where we have been, where we are, and where we are going or... where you want to be going.

Personal artistic vision is important in defining the "Future," your personal future and our broader collective future. Have fun with this challenge. You may start a movement!

\$10 entry fee for 1-3 artworks, please send an email to annette@bernardstonunitarian.org by April 30th to reserve a space in the show. Indicate # of art works and size and medium. Include your contact information.

Works do not have to be for sale. Works that are for sale should include a 25% sales commision in the price, to benefit the Meetinghouse Art Projects. Art works should be insured by the artist while they are on display at the Meetinghouse.

Your art works should be brought to the Bernardston 1739 Meetinghouse at 49 Church St. on Wed. May 17, 9-noon. They should be ready to hang with picture wire secured to the back. Please contact us ahead of time with special display needs. Art pickup at the end of the show will be Sunday, June 18, 3-5pm.

Call 413-330-0807 with any submission questions.
